

Keeping in Touch

A message from the Headteacher, Mrs Neofitou:

Congratulations to all those students who have improved their attendance recently. Well done!

Well done too to all our students who are being recognised on Classcharts for always doing their best to demonstrate our 4Rs.

I would also like to thank you for your support over this past week. The hot weather has unfortunately encouraged some unacceptable behaviour from some of our students. We have made it clear to all students that water pistols are not allowed into school and will without exception be confiscated and collected by parents. Thank you for reinforcing this message at home.

Our assemblies this week have focussed on reminding students to behave in a responsible manner around the school site. Students can demonstrate this by walking sensibly on the paths and arriving to lessons on time. We have also talked to students about taking responsibility for their actions with a particular focus on being kind to one another. Well done to all those students who do the right thing each and every day. We are really proud of you!

Have you got access to Class Charts to see how your child is getting on? Check out the website for some information on using and getting access to these!

Countdown to moving in day!

Only 89 days to go!

Students will get chance to tour the building before the end of term!

Well done to Hamaad!

On Tuesday, Hamaad took part in the Speak Out Challenge Final, one of 14 students from the Midlands after being selected out of his classmates during a workshop ran at WCA in spring term. He had to prepare and perfect a 3 minute speech and read this at the event in front of local esteemed judges and audience of family & friends. His speech is titled 'Handing Down Control', which he feels passionately about. Even though he did not win at the final, everyone thought his speech was fantastic.

Keeping in Touch

	What's happening next week? WC 12 th June (Week B)	Last Week's Attendance
Y7	Y7 Assembly – Friday – Sports Day Launch Wednesday – Super 6 Athletics after school	88.36%
