SPORTS EDITION!

A message from the Headteacher, Mrs Neofitou:

Well done to all our students nearing the end of their examinations. We know how hard you have prepared for these exams and are looking forward to sharing your successes in the summer. Year 10s start their end of year examinations next week. Thank you for supporting them at home in ensuring they prepare for these examinations. Attendance and punctuality are also key in supporting them to achieve their very best.

Information regarding the upcoming Sports Day can be found below. We are really excited to be able to hold Sports Day again this year. I am sure it will be a great day for all.

During this spell of hot weather students are not required to bring their blazers to school. We will ensure we keep you updated with any changes. Please ensure your child brings a refillable water bottle to school. They are able to refill their water bottles before school and at break/lunch.

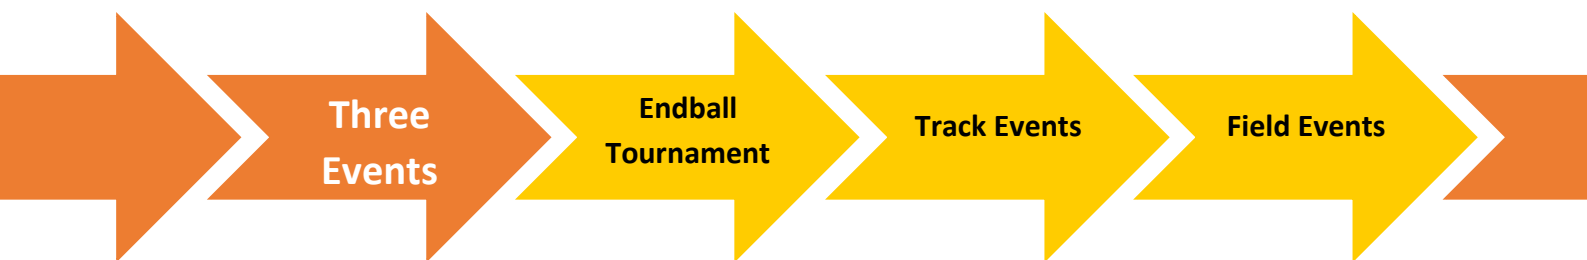

Sports Day – Friday 7th July

Sports Day will be held at **Warwick University Athletics Track (Coventry Godiva Harriers)** from **9.30am – 2.30pm!**

A letter has been sent home with students this week with a consent form, so please ensure this has been returned to ensure your child gets to experience this! Return this no later than Friday 30th June. Students will be required to make their own way to and from the track.

Please also make sure your child has a packed lunch and enough drinks to last the day. (Free School Meals will be provided to those who receive them in school). Students will be able to buy an ice cream over the lunch period, so feel free to send your child with some money if they wish to buy an ice cream.

Students will compete in the above events to earn points for their college! We are looking forward to our Sports Day and we will see some excellent performances! Students, start your engines and may the best college, win!
