

Keeping in Touch

A message from the Headteacher, Mrs Neofitou:

We are heading towards the end of the year and exams are all wrapped up, it is time to start looking forward and starting to welcome our new students who will be joining us next year. It was great to have the first of the students on site this week, and we look forward to meeting the whole group on the transition day in July. We are also looking forward to seeing our Y11 and Y13 students again next week for the leavers assemblies and prom to say our farewells.

There are lots of events happening over the next few weeks, so make sure you look out for future newsletters and posts on social media for all the great goings on in, and around, the school.

Anti-Bullying Workshop

Year 7 have participated in an interactive workshop this morning to encourage and empower our young people to be 'Upstanders' not 'Bystanders'. Thank you to Open View Education for guiding the students through a range of scenarios and role plays to help raise awareness of the impact bullying can have and how they can take action to reduce or prevent bullying.

Year 7s showed great maturity and courage throughout and we hope they now feel more empowered to help stop bullying and take with them the confidence to say "That's Not Okay!"

Welcome Year 6!

On Wednesday we invited some of our upcoming students from year 6 to West Coventry. This was an opportunity for students where they may be the only student, or couple of students, from their Primary School, helping settle their nerves and make new friends before the transition day on the 10th July.

Thank You Bowmer + Kirkland!

Bowmer + Kirkland have been hard at work on the construction of our new building. It was great to welcome two reps, Helen and John, from the company into our school. They had a chance to meet our Head Pupils Kaycee and Daniel and present them with a generous contribution towards the Year 11 Prom.

They loved hearing how the theatre is transformed for the event and hoped the contribution would support in providing a great experience for our Year 11 students. Mrs. Lane and Mr. Griffin shared how they worked to keep the event affordable for our students whilst giving them a memorable experience.

Mrs. Lane said "As an ex-student and now a member of staff at WCA, as much as its sad to say goodbye to the old site of Tile Hill Wood, which holds so many memories, it's going to be an amazing opportunity over in our new building to continue serving the community. This really kind donation from Bowmer + Kirkland has ensured that Year 11 can say goodbye to WCA with the final ever event being held here."

End of Year Reports

Reports will be issued at the end of term for Y7, 8, 9, 10 and 12. As previously these reports will be issued on Go4Schools. Don't have access? Check out this page for Go4Schools guides in getting access: <https://westcoventry.atlp.org.uk/parents/download-our-apps/monitoring-progress/>

Countdown to moving in day!
Only **75** days to go!

Sports Day is nearly here! Remember it is taking place on the 7th July at the Warwick University Athletics Track.

The exam season is over! Well done to all our Y11 and Y13 students! We look forward to seeing you on results day in the summer!

What's happening next week? WC 26th June (Week B)
