

A message from the Headteacher, Mrs Neofitou:

We are fast approaching the end of term and leaving the current school site. A reminder that students finish for the summer holiday on 19th July. Next week we will be able to start taking students over to the new build for a visit. I know they will be blown away by their new school!

I am excited to announce that we will be featured as CWR's Star School week beginning 10th July. Staff and students will be featured on CWR's morning breakfast programme each morning, talking about the school and some of their best memories of the current school site. We are also looking forward to the Year 11 Prom this evening following Year 13's special evening last night. The celebrations are truly well deserved!

A reminder that school will be open for Years 7, 10 and 12 on Wednesday 5th July due to industrial action. Years 8 and 9 will be set work to complete at home. Friday 7th July is Sports Day which is taking place at Warwick University. The PE department have planned a great day for students, and we are looking forward to seeing them at the track.

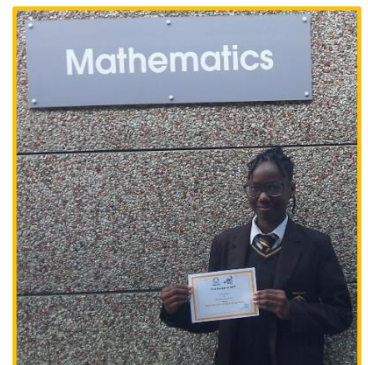

Adding Up Our Maths Success!

Over the year, WCA has been represented by lots of our very promising mathematicians taking part in the UKMT's Senior, Intermediate and Junior Maths Challenges. The name is in the title – these are a challenge, demanding strong maths skills, resilience & problem solving – well done to all who took part!

The highlights of the year are Seth, Y8, who won a Gold Certificate and Best in School in the Junior Maths Challenge qualifying for and receiving a Merit in the next round, the Junior Kangaroo, and Pearl, Y10, who won a Gold Certificate and Best in School in the Intermediate Maths Challenge and qualified for and took part in the next round, the Pink Kangaroo. Well done both, it is a real success to qualify for the next rounds of these challenges - these are fantastic achievements!

Other great accomplishments were Joseph, Y12, gained a well-earned Silver Certificate and Best in School in the Senior Maths Challenge. In the Junior Challenge were Best in Year Silver Certificates for Y7s Abdullah and Leighton, Silver for Sam and Thomas and Silver Certificates for Y8s Elodie and Mark. The Intermediate Challenge also saw lots of successes; Best in Year Bronze Certificates for Charlie and Tafadzwa in Y9, Silver Certificates for Y10s Milan, Hammad, Lottie and Agija as well as Silver for Megan, Jack, Aya, Luke and Tegan in Y11.

Lots of talent to watch, well done to all the fantastic students that took part, your maths teachers and the school are very proud of you.

Team Building Transition for Year 6

Last week we welcomed approximately 30 year 6 students to West Coventry Academy for a team building afternoon, these students are either the only student or pair of students joining us from their primary school. During the afternoon students took part in a range of activities including producing wonderful performance in drama and some team building activities on the field.

We are excited about welcoming the whole cohort of future Y7 on Monday 10th July for a full induction and are looking forward to meeting with parents/carers the evening of 10th July 6-7pm.

Our 4 Rs...

Respectful Responsible Resilient Ready to Learn

Full STEAM Ahead for Year 9!

A selection of Year 9 students were privileged to attend the STEAM event held & organised by a local college – NWSLC in Nuneaton. The 2 hour event was packed with activities and stalls where students could learn and complete the quiz finding out things such as ‘What are TESLA cars powered by?’, understanding the different career pathways at JLR and learning that so many employers now offer Apprenticeships, such as the RAF, Army JLR, and the NHS.

What a Prom-azing Night!

Our Year 13's celebrated last night at their Prom, the end of their West Coventry Academy journey! It was a great evening with lots of great touches, including tables names after tutors and key sixth form staff!

We wish our Year 13's luck in the future, and will see them one final time when they return in the summer for the all important results!

Going Radio Gaga as Star School!

Do you listen to BBC CWR radio? Keep an ear out the week of 10th July on the Breakfast show for our students and staff as we are featured as the Star School of the week!

Look out for more information next week on what to expect!

A Quick Uniform Reminder

As the temperature has cooled, we'd like to remind all students that blazers are expected again. Students should have their blazer and tie on whilst at school, as well as wearing school shoes. These should not be trainers.

You can always check out our website for a reminder of our uniform policies: <https://westcoventry.atlp.org.uk/parents/uniform/>

End of Year Reports

Reports will be issued at the end of term for Y7, 8, 9, 10 and 12. As previously these reports will be issued on Go4Schools. Don't have access? Check out this page for Go4Schools guides in getting access: <https://westcoventry.atlp.org.uk/parents/download-our-apps/monitoring-progress/>

Last Week's Attendance
