

A message from the Headteacher, Mrs Neofitou:

Our focus next week will be on Equipment, to make sure our students are Ready to Learn. Our grab five is a black pen, a green pen, a pencil, a ruler and their iPad. It's important iPads are charged and ready to go each morning so please support your child in ensuring this is part of their home routine.

Year 11 students will also be undertaking their mocks exams next week. A reminder that morning exams will start at 9am so students must ensure that they are on time to school. We are sure they will show resilience during their mock exams as they prepare for their summer exams alongside our Year 13 students.

Getting Ready for Exams!

Year 11 Mock exams have started today, their final set before we approach the summer Exam season! Elevate is a organisation we work with, and next week they are running a Webinar on 'How You Can Help Prepare Your Child for Exams'. Parents of Year 11 can sign up on the link or check your email for more information :

RISE to the Occasion!

In our session with RISE/RBTC today we built up our creativity muscles, we were being creative with everyday items we found in our bags to design and create a sculpture. We then used our own bodies to create images or "Freeze Frames" of the items we used in our sculptures.

It was all about practicing with different methods and mediums to communicate and be understood, we looked at how to get a message across to peers without relying on just our words.

We Want You!

We are looking for a skilled and friendly receptionist to join our team! If you have excellent communication skills and a warm personality, we want to hear from you.

Check out the link to 'Vacancies' on our website for more information on the job and how to apply to be a key part of our school's front desk team!

FEEL GOOD FRIDAY!

It's another Feel Good Friday where we encourage staff to send a quick email to parents or carers of students who they would like to recognise for something positive this week! Alongside this, below are some of our favourite feel good moments of the week! We hope you enjoy receiving positive messages and seeing the great things our students are up to!

Wall to Wall Positivity!

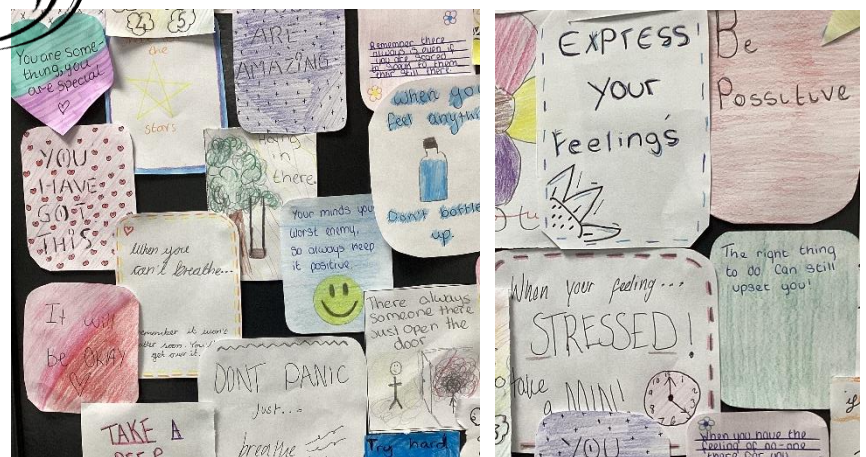

One of our favourite feel good moments from this week was shared by Mrs. Gardner-Tildesley who supports students in our Intervention room. She said "We are creating a positivity wall in our room. Anyone can add their art or quotes to it. Our aim is to make someone smile and for people to know that others feel the same at times and that there is always help and support here!"

Hi-Five to Year 9!

Well done to our Year 9 Boys Football team who soared to a 5 – 0 victory against Bishop Challenor as part of the cup. This takes them into the semi-final! Good luck to the team on the next match!

Well done to Arnan, Bill, Harrison, Rhys, Dontay, Ellis, Kabineh, Robbie, Austin, Heaven, Filip, Olive, Havey and Brandon!

Game of Scones!

Students from Year 7 have had an absolutely wonderful morning having donned their aprons to make scones! We are looking forward to tasting them later! Well done to all the students: sure we have some baking stars on the rise!
