

Keeping in Touch Newsletter

27th September 2024

A message from the Headteacher

I hope you enjoy reading about the range of opportunities students are involved in. Please encourage your child to get involved in extra curricular activities and any charity events. We are looking forward to celebrating all the different cultures that exist within our school on Friday as part of our Culture Day. We have been talking to students about how diversity is our biggest strength as a school community, how it is important to respect each other and be respectful of our differences.

Last week we held the interviews for the Student Leadership within school. The Year 11s who applied were incredible! We will be sharing the outcome with you in our next Keeping in Touch Newsletter. A reminder that we have our Open Mornings week beginning 7th October. Please encourage anyone with a child in Year 6 to come and have a look round.

- Mrs Neofitou

Charity & BLUEY!

Students in Year 12 continue to enjoy working in the community as part of their enrichment programme. These students volunteered to support at Our Lady of The Assumption Church Macmillan Coffee Morning and Stay and Play. They helped to raise over £190 for the cancer charity and were very enthusiastic when playing the part of Bluey!

Library Fun at WCA!

It's been great to see students using the library this week with the start of our debate club on Tuesday and study days for different key stages.

On Friday, we had board games & chess when students were joined by Mr Rudd to learn and play. Thank you to Mr Rudd for sharing your expertise!

A reminder:

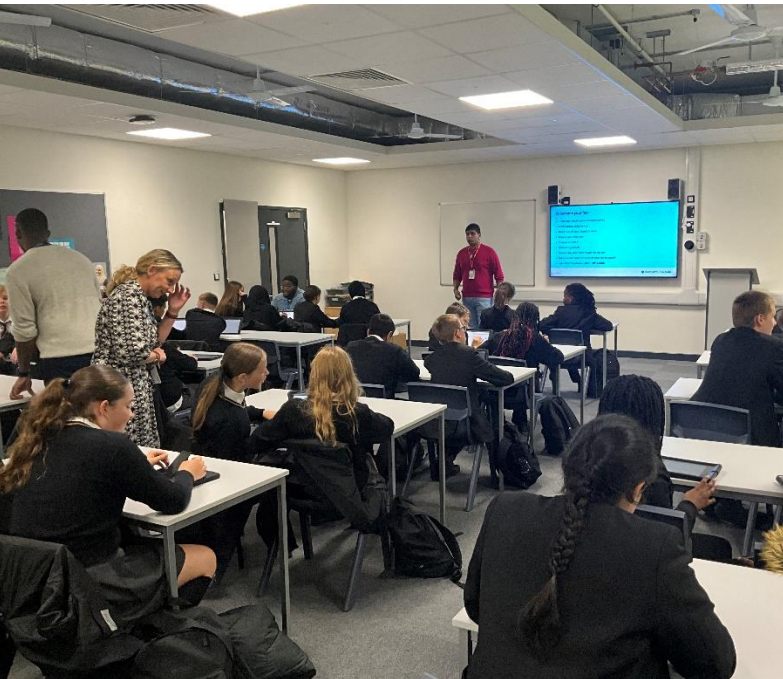

- Monday - Year 7 only
- Tuesday - Debate Club - open to all year groups.
- Wednesday - KS4 study
- Thursday - KS3 study -
- Friday - Chess & Board Games - open to all year groups.

Future Readiness Programme

The Future Readiness Programme has been launched this week in assembly for all KS3 and KS4 students as part of our Careers Curriculum. It introduces and helps students to develop twenty skills, attitudes, competencies, and values, that will assist them in navigating the rapidly changing careers landscape, as a result of the AI revolution'.

Barclays Life Skills

Year 9 students have been working with volunteers from Barclay's completing their Life Skills programme. All students have had their first session today developing self-confidence.

Students will complete the next 3 workshops over the next few weeks. What a great opportunity to develop different skills and develop their confidence!

Quick Headlines

- We have our open mornings from 7th October to 11th October. If you are interested email openmornings@westcoventryacademy.org to book
