

Keeping in Touch

A message from the Headteacher, Mrs Neofitou:

This week we have been focussing on our 4Rs, the core ethos of our school. I had the pleasure of leading assemblies for our Year 7, 8 and 9 students on what our 4Rs look like in practice, and why they're important to our school community.

Why are the 4Rs important to our school community?

The 4Rs are an agreed set of expectations to ensure that everyone at WCA is clear about how we work

Each one of the 4Rs has been chosen carefully to support us with our learning

Our community depends on EVERYONE adults and students demonstrating the 4Rs every day

The 4Rs help to ensure we all have a sense of belonging at WCA

It was a great chance to help share why our 4Rs are important and help our students understand how they can display them. This is especially key as we look at welcoming a new year group in September and as we move into our new building.

During the School Day	4Rs	How Our Students Can Demonstrate the 4Rs	
Arriving at School	Responsible Ready to Learn	Arriving on time by 8.30am Wearing correct uniform	Putting away phones and headphones before entering through the school gate Carrying a timetable
Entering the Buildings	Responsible Respectful Ready to Learn	Entering the building quietly – always walking Entering the building one at a time	Opening the door for others Keeping left on the stairs Going straight into the classroom
Start of Lessons	Ready to Learn	Removing outdoor wear Immediately sitting in designated seat	Taking equipment out Starting the Do Now
Leaving the Classroom and Building	Responsible Respectful	Blazer on Ensure your seat area is tidy	Leaving the classroom when asked Leaving the building quietly – always walking
Break & Lunch	Responsible	Queuing in the canteen Hoods down/hats off in the canteen	Putting litter in the bin Staying within agreed areas
Assembly	Respectful Responsible	Lining up in alphabetical order Removing outdoor wear before entering Entering assembly in silence	Sitting in designated seats in silence whilst waiting for assembly to start Tracking the speaker Leaving the assembly when directed
