

7th October 2022

Dear Parents/Carers of Year 12 students

Following my letter dated 5th October, I would like to confirm the plans for Year 12 students during the strike days. Please rest assured that their education is our priority and we are committed to ensuring that there is minimal disruption to their learning. I am acutely aware that their education has been significantly disrupted due to the pandemic.

I met with the Year 12 students in assembly yesterday morning and informed them that where possible lessons will go ahead as normal.

On **Tuesday, 11th October**, Year 12s will be set work to complete at home. The work has been carefully planned to ensure it will support their learning as well as provide an opportunity to improve the quality of UCAS and Apprenticeship applications. We have also prepared a range of links to extra reading, lectures, podcasts and much more which will enable them to deepen their understanding of the subjects they are studying. In addition, we will be providing a link to a variety of online courses which will add value to your child's UCAS/Apprenticeship application.

I will be in a position to confirm which lessons will be taking place on the remaining strike days and will ensure you are notified by email.

Thank you for your support and patience.

Yours sincerely

Ana Neofitou
Headteacher
