

Dear parent/carer

RE: Year 9 Parents and Options Evening

The Year 9 parents and options evening takes place on Wednesday 26th February from 4 pm to 7 pm. It will take place on school site. There has been a change of arrangements and you will be required to make an appointment with Maths, English and Science only. Please visit the History and Geography stands as students will be required to pick one of these as part of their options choices.

All other time will be spent visiting the options stands manned by specialist staff and also the option to attend a talk in the Hall by Mrs Tasker, Deputy Headteacher, outlining the Options process. This talk will be held at **4:15 pm**, repeated at **5:15 pm**, and again at **6:15 pm**.

This is a particularly important opportunity for you to meet your child's teachers and discuss your child's options for Year 10.

To book your appointments for English, Maths and Science you will need to follow the link via our options page below, using our online booking system. Please log in to make appointments with your child's teachers. To access bookings, you must enter yours and your child's exact details as they exist on our system.
